

Nürburgring – Experience

The Experience is not entirely without rules - the most important ones are summarized here

Participation requirements for you and your vehicle:

- Vehicles with a registration according to STVZO incl. 07 license plate (no racing or formula cars!)
- Road tires are mandatory, treadless tires are not permitted.
- The race track must be driven on in such a way as to avoid endangering other participants. The same applies to overtaking.
- Think about your own safety.
- Helmets for drivers and co-drivers are mandatory.
- The minimum age for drivers is 18 years.
- Passengers must be 12 years of age or older.
- Driver and co-driver must sign a liability waiver. The signature of a parent or legal guardian is mandatory for underage co-drivers.
- The driver must be in possession of a valid driving license of at least level B and present it before the start.
- Vehicles up to model year 1994 are permitted. The organizing DAMC 05 may permit exceptions to this rule, taking into account certain vehicle series with models from later years - but with models introduced before or up to 1994.
- Only those already in possession of a valid entry ticket may take part in the Brands Club Experience.
- Membership of a brand club is not required.
- The organizer decides on participation
